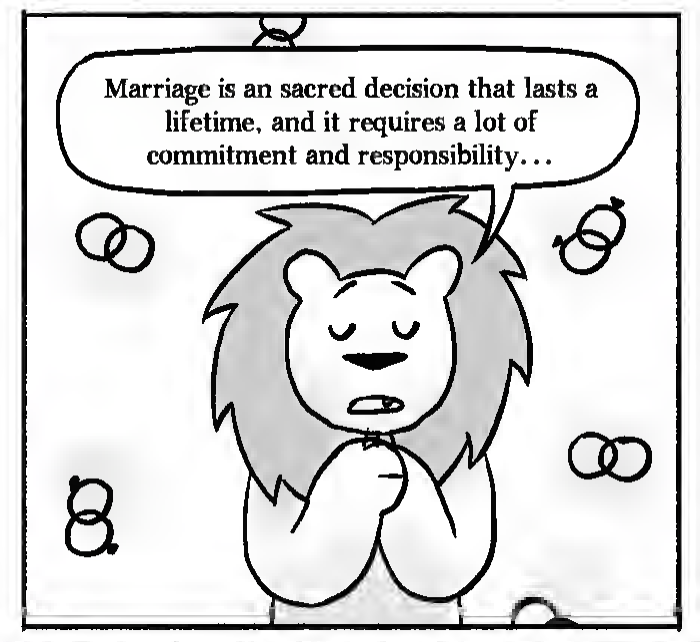
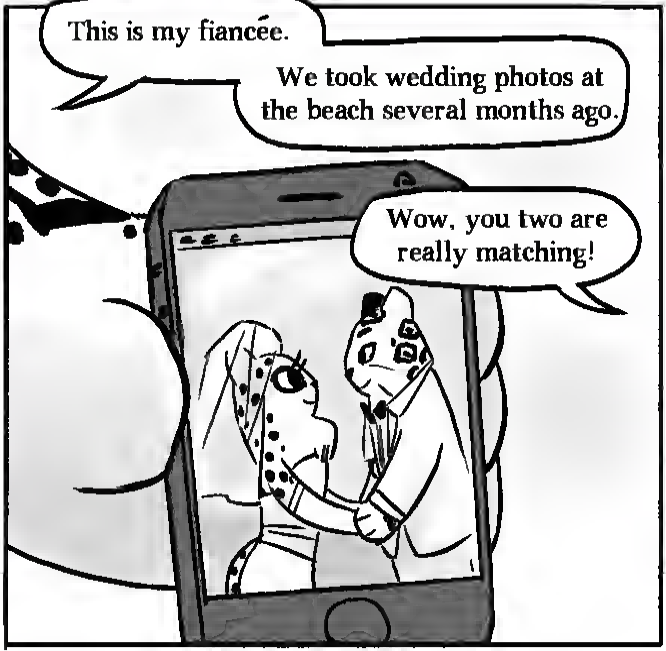
You should take it more seriously!
Take more time to think it over!
If you ever have doubts, you can also consult your family and friends!
But you never asked me about it!

Leo!?

Cheetah-B is a strong and independent lady who turned down every guy who liked her!



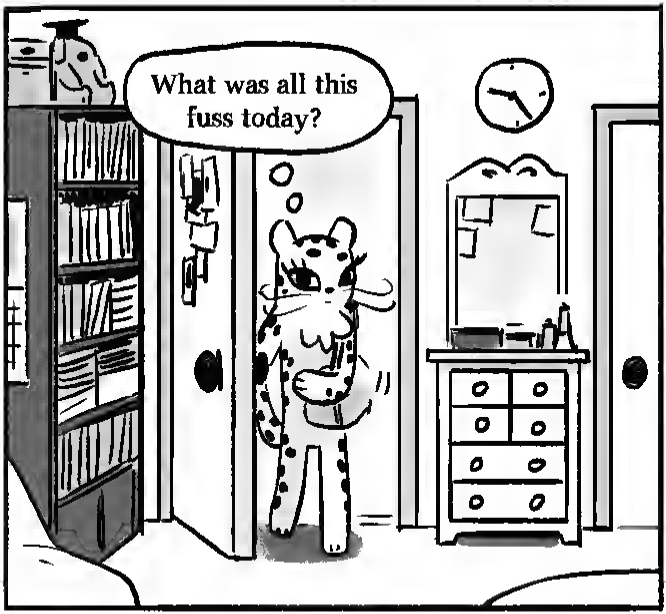
Marriage is an sacred decision that lasts a lifetime, and it requires a lot of commitment and responsibility...



This is my fiancée.
We took wedding photos at the beach several months ago.
Wow, you two are really matching!

I'm so sorry Jack!
I totally misjudged you!
hahaha
It's alright.

You should really thank him for tolerating all the trouble you caused.



What was all this fuss today?

Leo was so sensitive about Jack and my boyfriend issues.
I'm glad he cared that much though.

I'm not going to let you marry Jack!

Gosh no, that's too awkward.
I can't imagine what it's like marrying you.
I'd probably be a terrible housewife
haha
Haha yeah!

...it's nice to remain good friends for now, at least I don't have to worry about Jack...

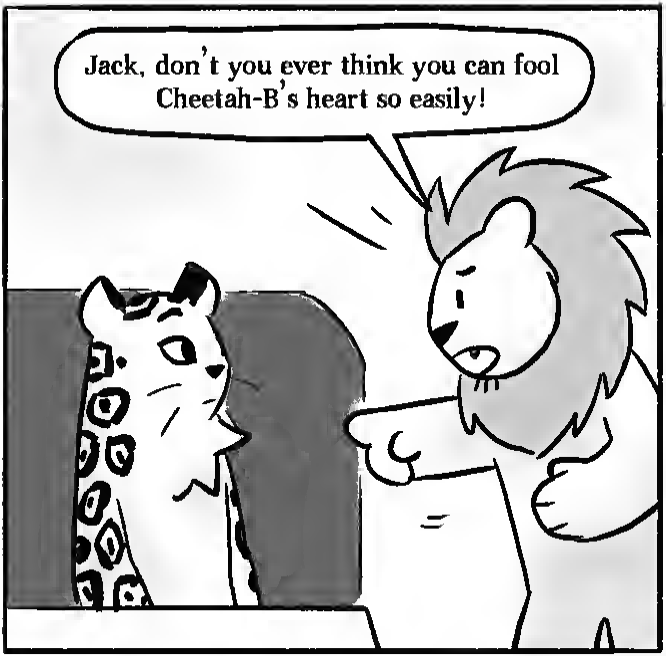
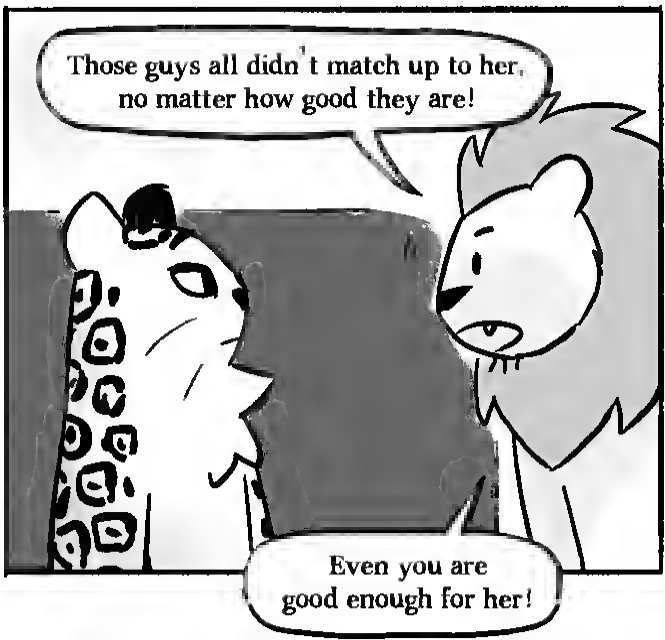
JOURNAL

Why are you so concerned about me and Jack? You have a problem with him?
No – I. . . I was just worried about your choice of boyfriend!
I really thought you were going to marry him!

Um, Leo...
Wait, I am not finished yet!



Jack, don't you ever think you can fool Cheetah-B's heart so easily!



Those guys all didn't match up to her, no matter how good they are!
Even you are good enough for her!

See you
this weekend!

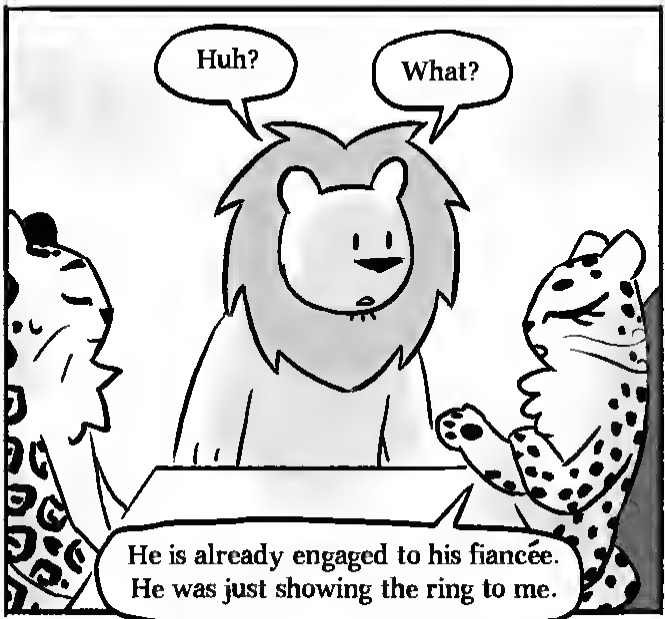
Geez, how much do YOU know about Jack?
Moreover, I would never marry someone I just met for a month.

Should I confess?
But Cheetah-B turned down every guy who confessed to her, no matter how good they are...

sigh..

Cheetah-B, all this time you were dating Jack, you didn't even tell me about it...

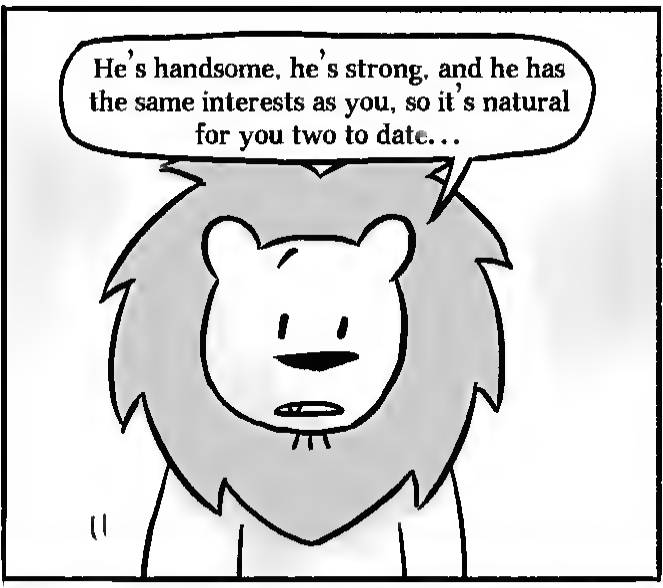
...Jack is getting married, not me.



Huh?
What?
He is already engaged to his fiancée. He was just showing the ring to me.

I'm just a lousy lion...she'd turn me down and it will get really awkward afterwards...

It's fine the way it is now.

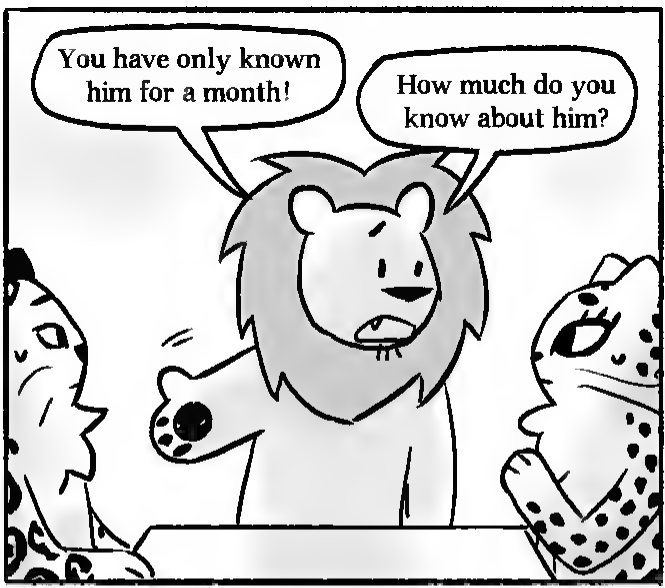


He's handsome, he's strong, and he has the same interests as you, so it's natural for you two to date...

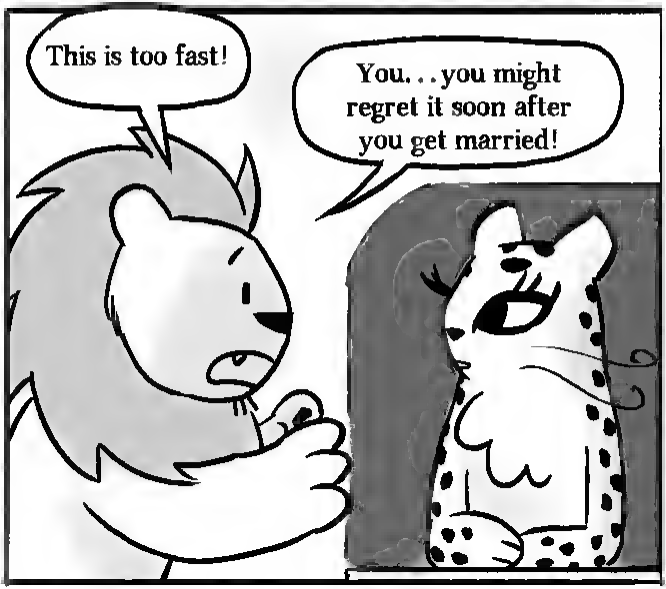
... But that doesn't mean you can marry him on a whim!!

I feel so unimportant . . .
. . . I guess love always comes before friendship. . .

Does this take your worries away, Leo?
Yes! I'm so relieved now!



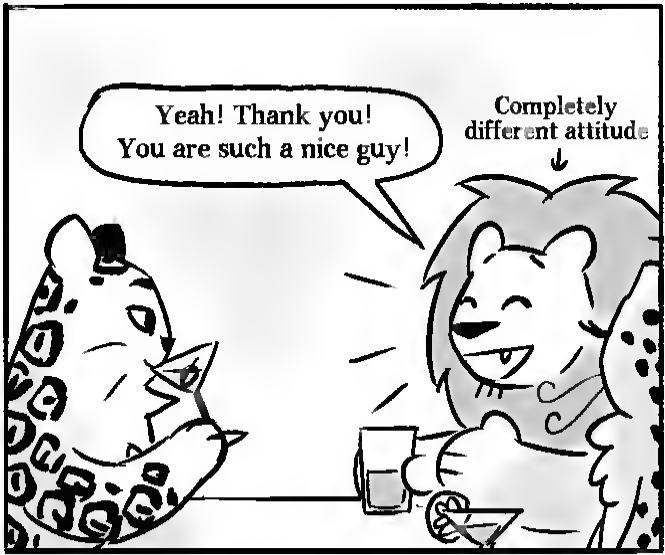
You have only known him for a month!
How much do you know about him?



This is too fast!
You. . . you might regret it soon after you get married!

So, you would marry someone you know for a long time?

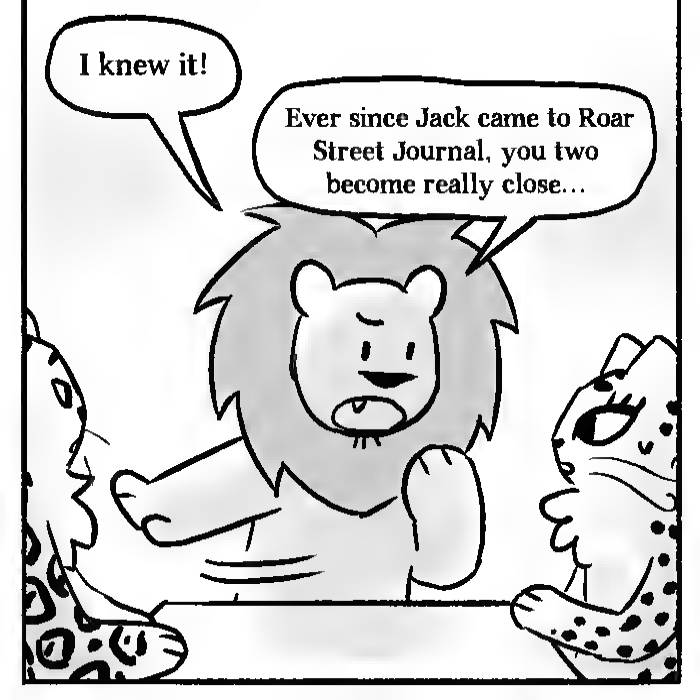
Wait, that's me! What did I just say?!



Yeah! Thank you!
You are such a nice guy!
Completely different attitude

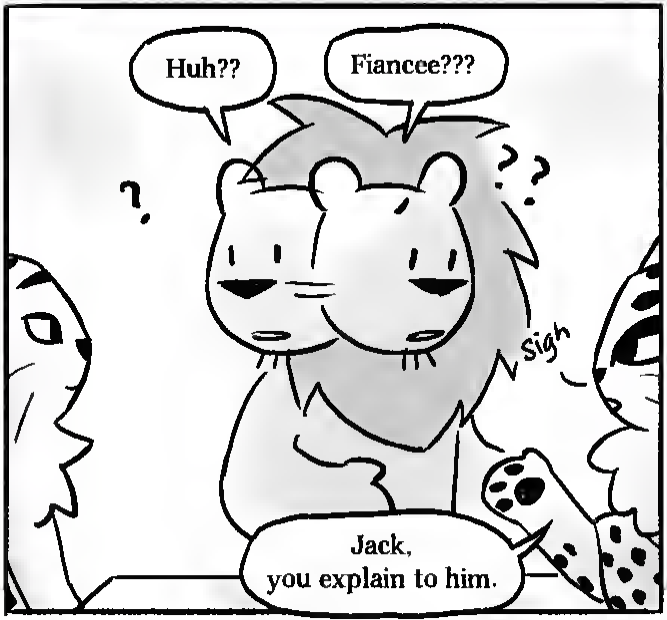
I feel so stupid right now...

Leo, I'm going to marry my fiancée next month.
This is my last week in this city.
I will return to my home town after finishing the project at RSJ.
I'm really sorry if I caused any misunderstanding.



I knew it!
Ever since Jack came to Roar Street Journal, you two become really close...

You seem to be in a much better mood now.
Yes of course!



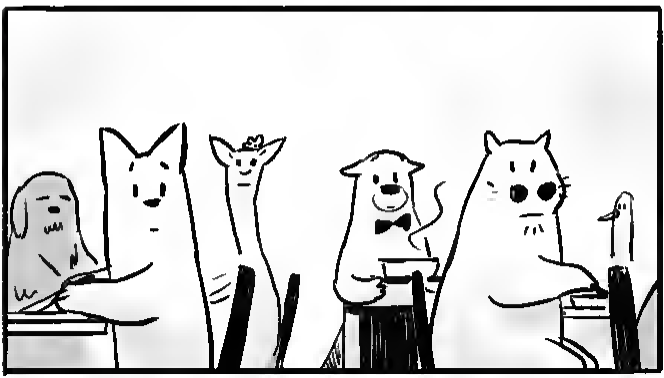
Huh??
Fiancee???
?
? ?
sigh
Jack,
you explain to him.

Coming to think about it, he's been acting weird and protective lately.
...maybe he likes me?

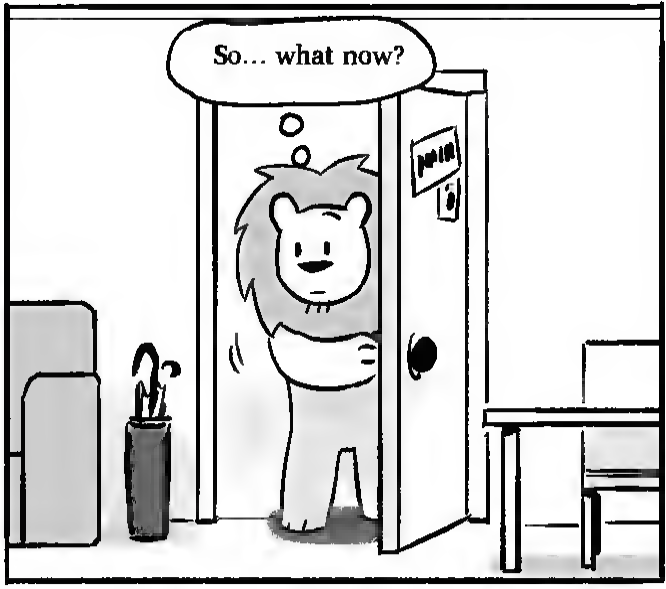
But I'm not going to ask him about it, that's too awkward.

Leo, I'm not getting married.
That's right!
No, I mean...

I object!!!

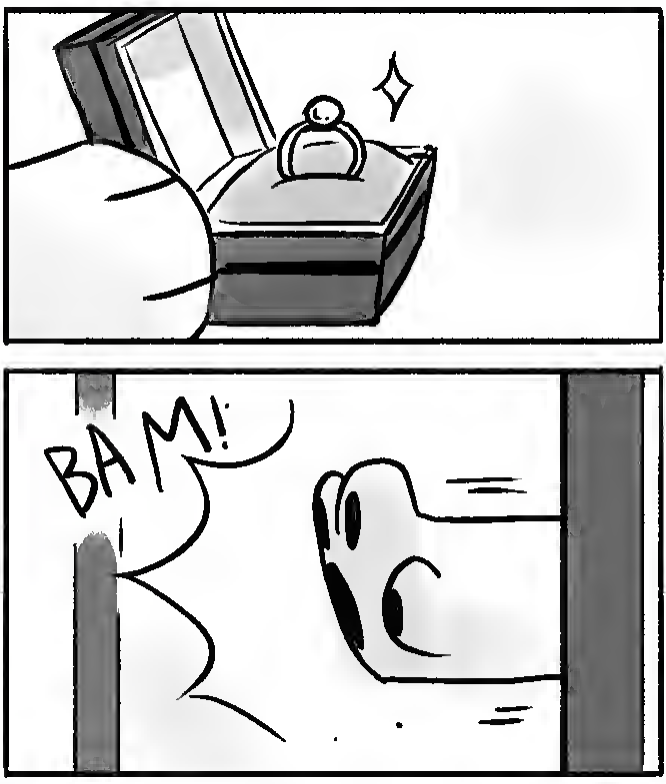


Bye Jack!
Thanks for the drink!



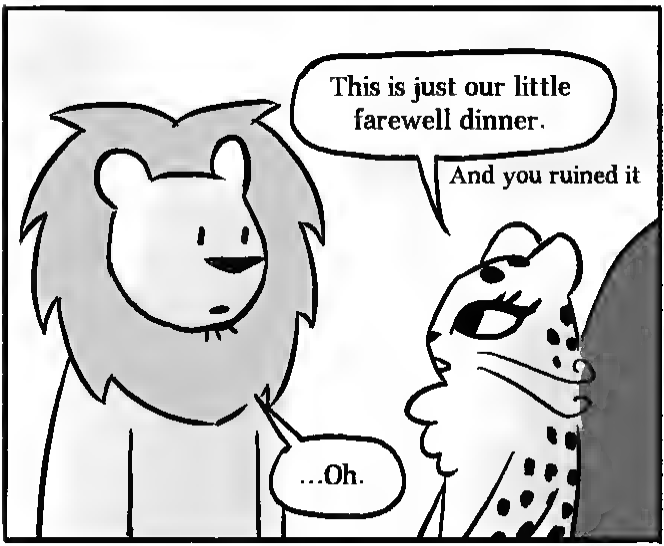
So... what now?

Actually, my fiancée is also a cheetah. She is a distant relative of Cheetah-B.
She is the niece of my great aunt. Jack and I had a lot to talk about.



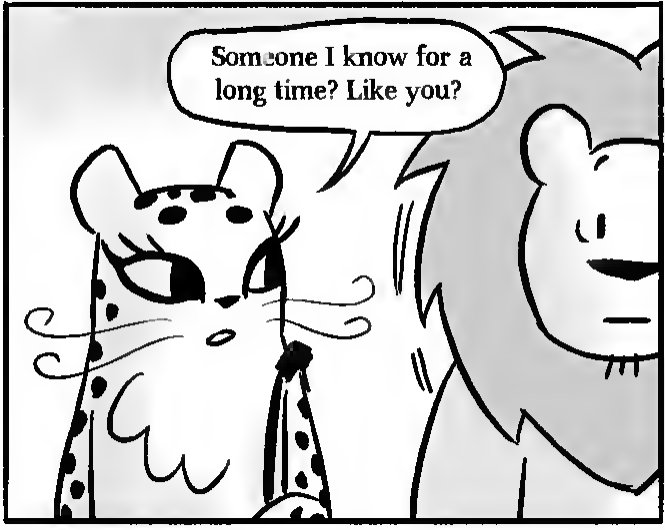
BAM!

...So you two are not getting married and not in a relationship...?
No.
of course not..



This is just our little farewell dinner.
And you ruined it
...Oh.

Uh --
Wait, Leo, listen to me --



Someone I know for a long time? Like you?

Alright, everything is clear now. Sit down for a drink, Leo.
Have a seat.
